

16th & Pile CHURCH OF CHRIST

Volume 56 Number 24

June 16, 2010

Don't Stay Away from Church . . .

- Because you are poor. There is no admission charge.
- Because you are rich. Money is not everything.
- Because it rains. You go to work in the rain.
- Because it is cold. It is warm and friendly inside.
- Because it is hot. So are fishing and golfing.
- Because no one invited you. People go to a lot of places uninvited, and even pay to get in. *This paper is your invitation!*
- Because of hypocrites. We associate with them in the world every day.
- Because of company. Bring them along; they will admire you.
- Because you have little children. Jesus says, "Suffer the little children, and forbid them not, to come unto Me: (Matt. 19:14)"
- Because your clothes are not nice enough. God looks on the heart.
- Because you do not like the preacher. He is human, as we all are.
- Because the church always wants money. That is not true here.
- Because you have plenty of time in the future. Are you sure?

"O come, let us worship and bow down: let us kneel before the Lord our maker." Psalms 95:6

Dear Friends in the Ministry,

I realize we could not continue broadcasting the gospel around the world if it were not for people like you. I agree with Paul as he prayed in Philippians 1, "In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."

The work continues to go well and we are excited about how God is using "Key" to tell so many others about the Good News. Arrangements were recently made with Sylvester Imogoh in Igarra, Edo State, Nigeria. He will now be receiving mail and calls from those responding to the program throughout Africa. The signal from INSPiration International is responsible for reaching that nation.

Responses have increased in the Hyderabad/Secunderbad area of Andhra Pradesh, India. For a time, we were not on television in those "twin cities," but things seem to be better now. A recent cyclone brought more water damage to many of our preacher's homes and meeting places. Please keep them and their work in your prayers.

Sincerely,

Don McCasland
